That Wonderful Year, 1963, finds the students at Lemon-Monroe in these typical situations. Most of the school year is devoted to studying. This is a phase of school life that is long to be remembered by all students.

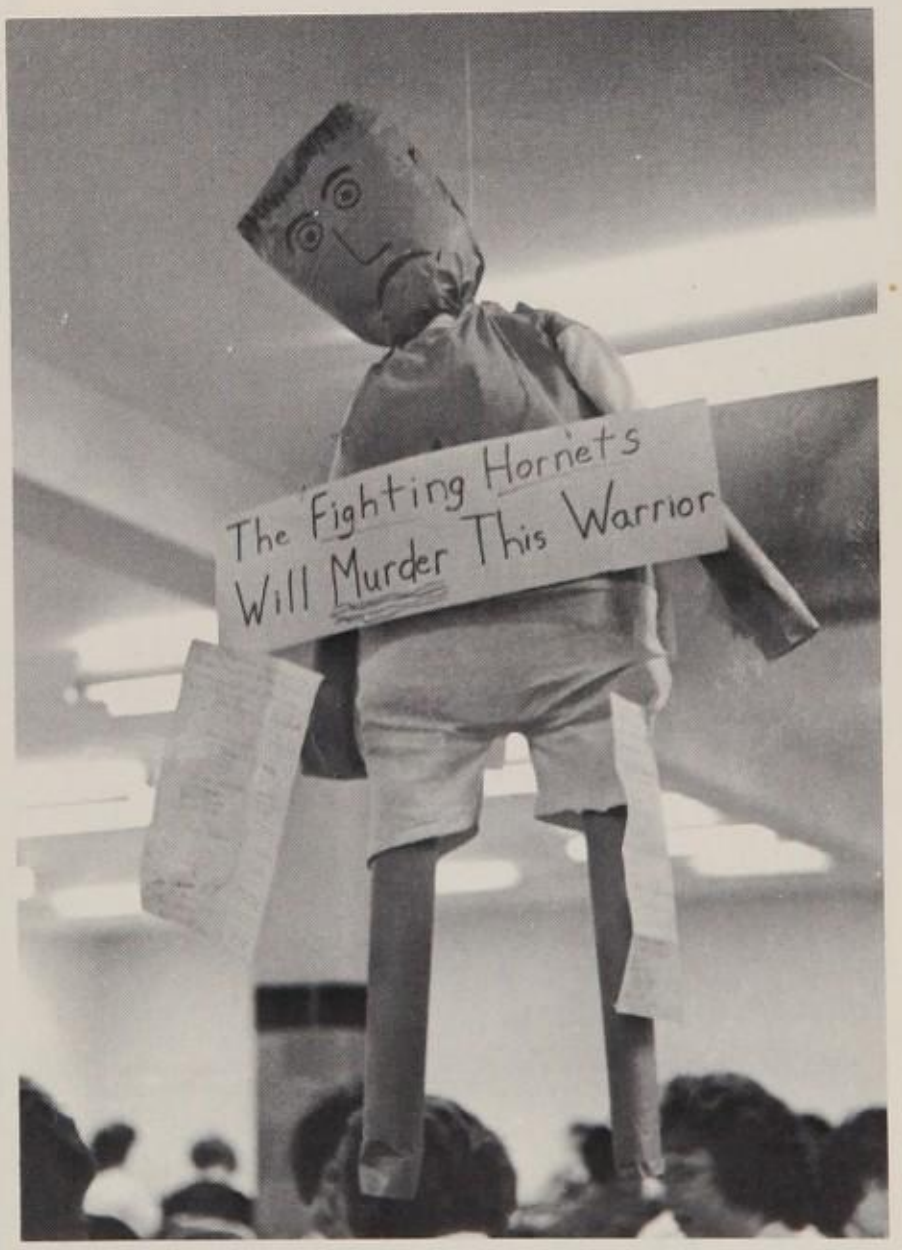
The paper-book rack, new this year, sponsored by Student Council, gives many students the opportunity to purchase books of their own.

The peaceful atmosphere in the library enables students to study and to do research work.

The fourth period finds students engaged in various activities. In addition to studying, the students have time to do such things as these pictures illustrate.

A senior talks with Mr. Kruger, head guidance counselor, about plans for college.

The freedom at lunch time allows friends to sit together and talk.



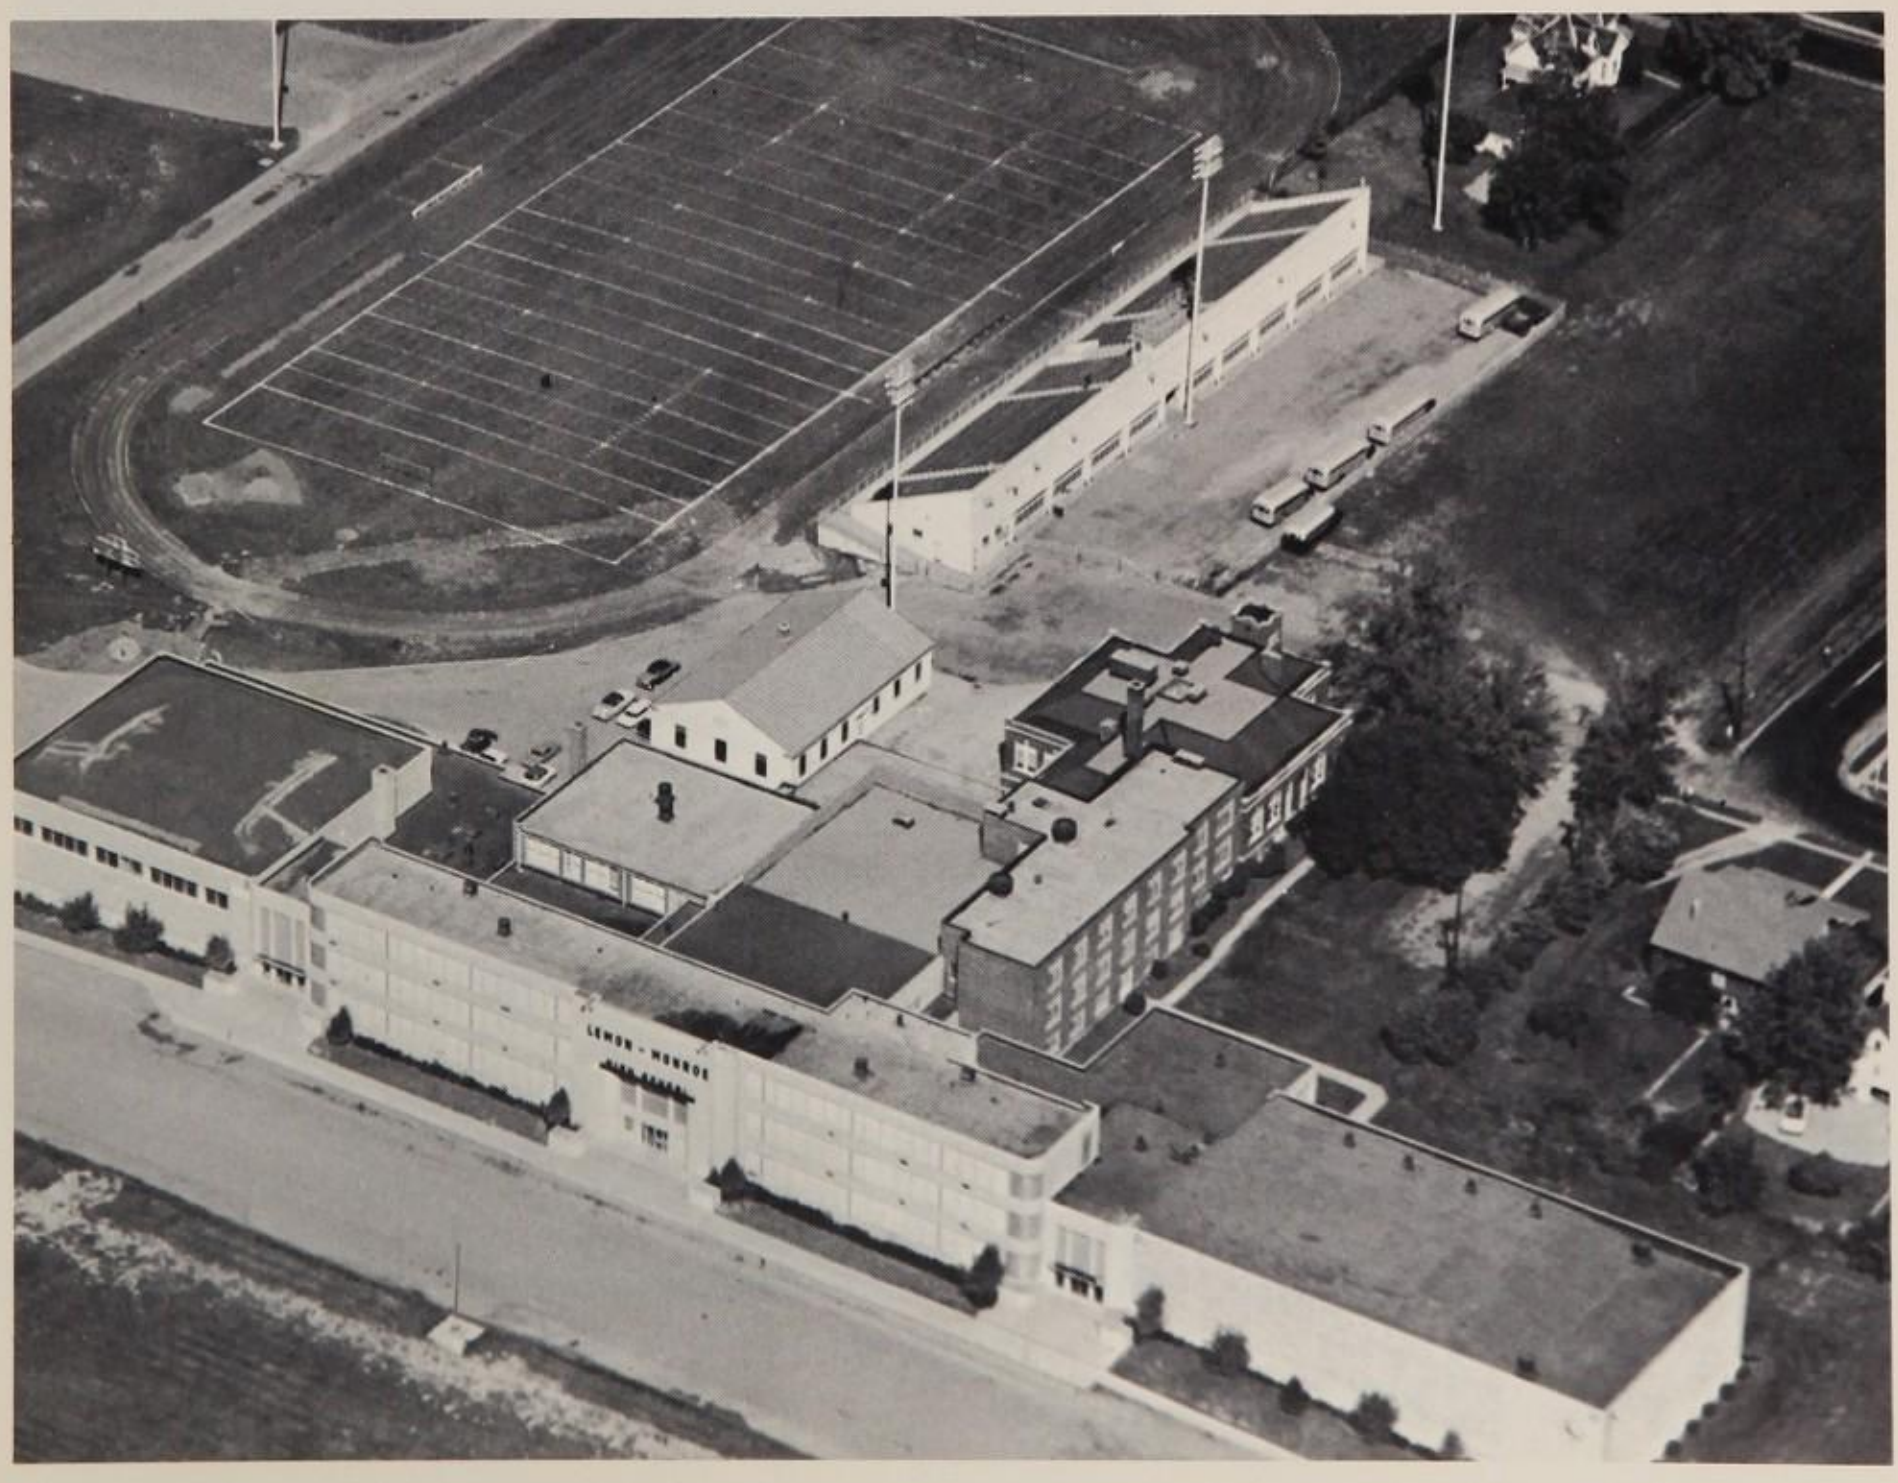
An effigy of a Lebanon Warrior represents a feeling of school spirit and reminds students of the game that night.

The serious world situation was brought closer into focus for Monroe students during the mock air raids and Civil Defense practice which took place during a typical school day. The drill was staged through the village of Monroe and supervised by the city of Middletown. It was a united effort to prepare the Middletown area for the threatening possibilities of enemy attack.

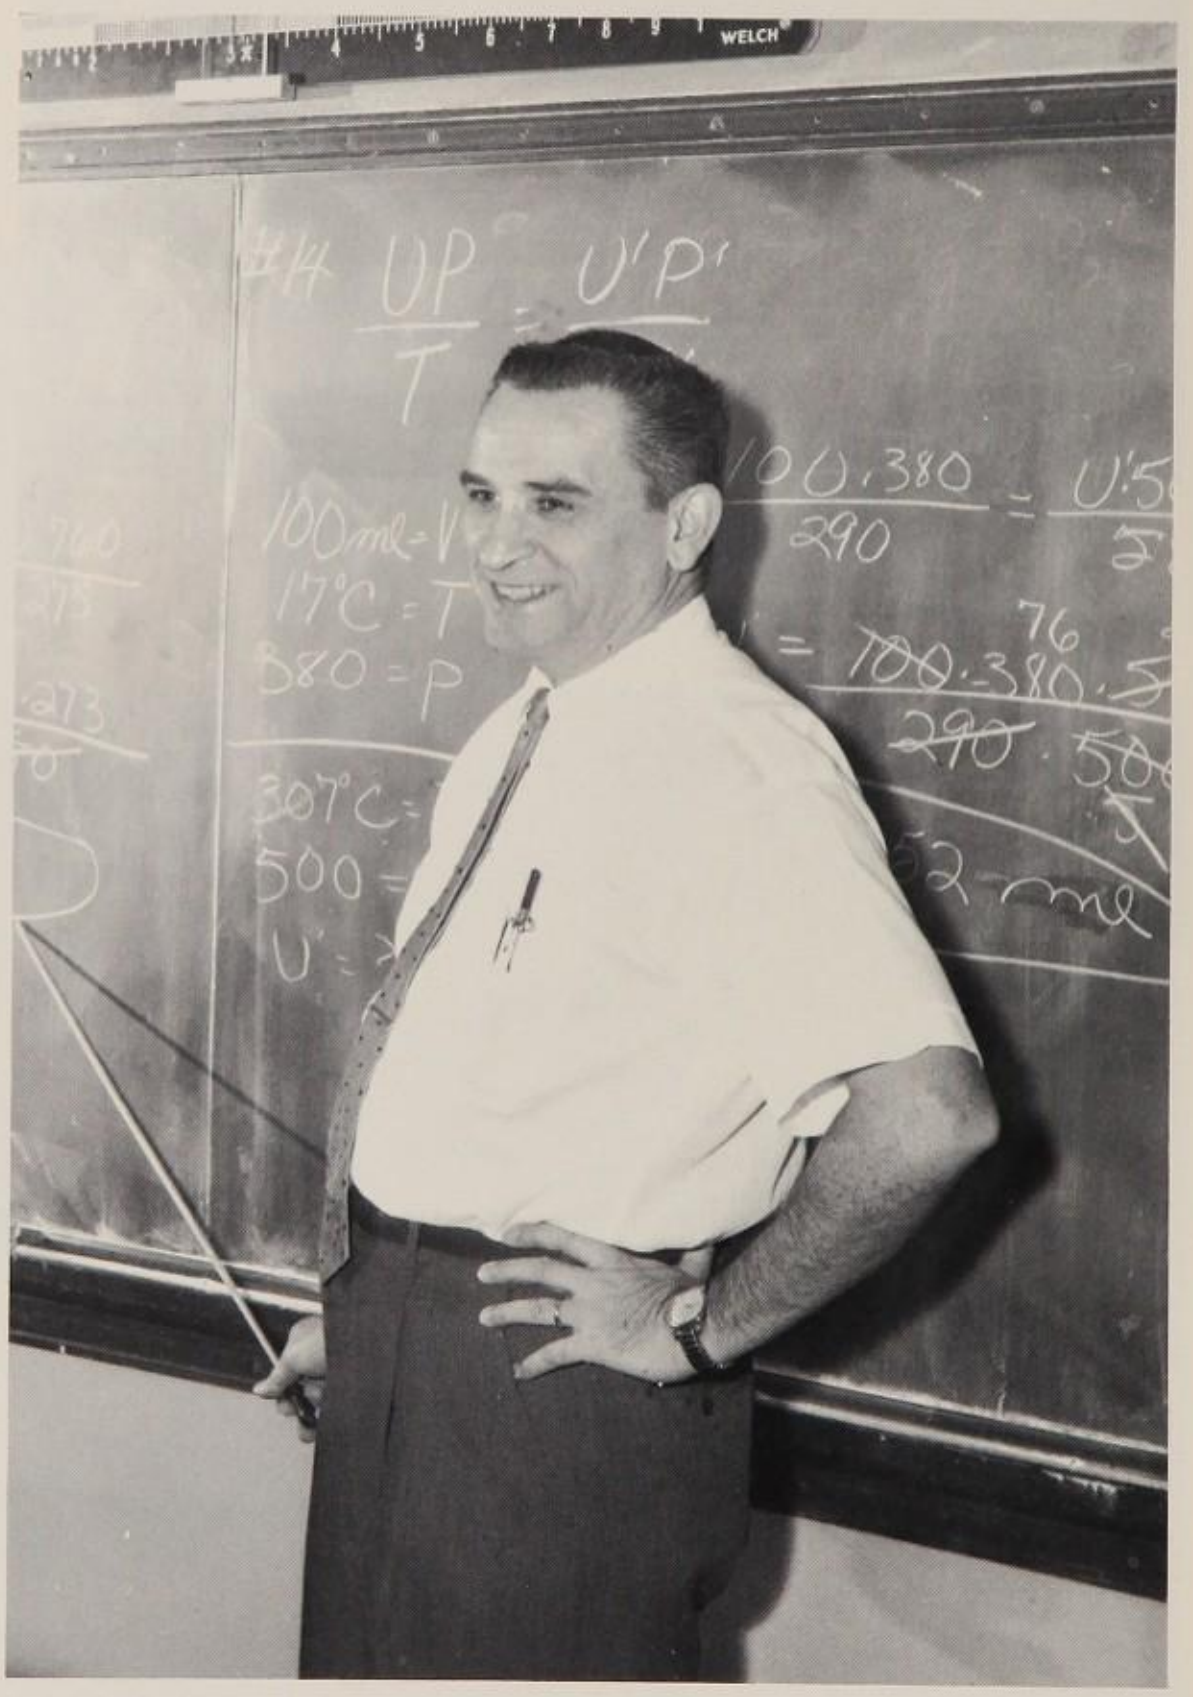
Marshal George Cobb, Fire Chief Earl Hitshue, and Principal W. E. Davis.

The average school day for Monroe students was interrupted by the short rings of the class change bell. The uncommon sound instilled the air of oddity and suspense which prevailed through the drills. Students filed silently from class and took their position in the hall. The strange silence complimented the seriousness of the Civil Defense Drills.

What is school? It is a brick building full of classrooms, an auditorium for gatherings, a football field, or a basketball floor. Yes, a school is this and many more components that combine to create the whole. School needs life, however, and Monroe students are its stream of vital energy. The laughter in the halls, discussions in class, speeches on the stage, and the cheering at games — this school spirit IS Monroe.



Dedication



One of the great rewards of working on the *Monocle* is to be able to dedicate your work to someone who has given his time and effort for you. To show our appreciation for his willingness to help the individual as well as teach a class; for his cheerful smile and contagious chuckle; for his understanding and reliability; and for his time consuming hard work done to make our Junior Prom a success, the *Monocle* Staff of 1963, proudly dedicate this yearbook to our friend, sponsor, and chemistry teacher, Mr. Harold Short.

COOKS

The cooks are a vital part of our life at Monroe, for without them our school could not function properly. There are sixteen cooks, under the management of Mrs. Helen Rothwell, and two cashiers.

BUS DRIVERS

Also of vital importance to our school are the bus drivers who provide our transportation to and from school and make it possible for us to remain after school for extra curricular activities by driving the activity bus.

MONROE 22 TAYLOR 34

Monroe began the season by being upset 34 to 22, although they put up a valiant defense. At the end of the first half it was 14 to 0 in favor of Taylor. The Hornets came back and started a rally which fell short. They scored their first touchdown in the middle of the third quarter on a pass interception by Quarterback Skip Lewis, who carried the ball 27 yds. Monroe tallied two more touchdowns in the final stanza on short plunges by Gary Deaton and Skip Lewis. The outstanding players were; offensively Gary Deaton with one touchdown, Skip Lewis with two and Bob Moore who twice carried the ball for extra points; defensively, Don Childers, who marked up 11 tackles.

MONROE 28 STIVERS 0

Monroe won its first victory of the season by scoring a touchdown in each of the four quarters. Bob Moore made a touchdown in the first quarter and the last touchdown in the final stanza. Skip Lewis carried the ball over in the second and Gary Deaton in the third quarter. The only extra points were made in the third quarter on a pass from Skip Lewis to Perry Clarke. The defense was at its best and allowed the Tigers to gain a total of only 47 yards.

MONROE 6 TALWANDA 14

Although Monroe outplayed Oxford Talawanda, they were on the losing end of the scoring. Both teams remained scoreless during a hard fought first half. The picture changed however, when Oxford Talawanda scored two touchdowns during the remaining two quarters. A determined Monroe squad reached the goal posts with only a few minutes left in the game. Bob Moore carried the ball over making the final score Monroe 6 and Talawanda 14.

MONROE 0 TAFT 12

Hamilton Taft's Tigers handed Monroe its third loss in four games. There was quite a defensive battle during the entire game. Taft scored during the first and third quarter. Monroe's passing combination of Skip Lewis and Tom Hammond gained considerable yardage but couldn't get across into paydirt. Monroe never really threatened, as the Hornets could penetrate only to the 20 yard line.

MONROE 48 LEBANON 12

Perry Clarke scored 26 points to lead Monroe High to an easy 48—12 win over a hapless Lebanon team in a Mid-Miami league contest. Two of Clarke's four touchdowns came on kickoff returns of 85 and 80 yards. Perry opened the scoring in the first stanza on a one yard plunge and then his 85-yard kick-off return. Bob Moore, Skip Lewis, and Tom Hammond saw their action in the second quarter. Bob scored on a 7-yard run, and then a Skip Lewis pass to Tom Hammond, good for 60 yards, closing out the half. It was Clarke's show again in the second half as he scored on a 80-yard kick-off return and a one-yard plunge.

MONROE 55 FAIRFIELD 26

Perry Clarke outscored the entire Fairfield team as he personally scored four touchdowns and two extra points good for 28 markers. Clarke scored on runs of 37, 20, and 36 yards and capped the evening by going 80 yards with a kick-off to close out the scoring for both teams. Gary Deaton also turned in a fine performance on the wet turf by scoring two T D' son gallops of 54 and 63 yards. At half time the Hornets lead 42 to 8. Monroe's other two markers came on a 19-yard run by quarterback Skip Lewis and a one-yard plunge by Don Peck.

MONROE 14 BEAVERCREEK 22

Monroe lost their fourth game of the season by losing to Beavercreek 22 to 14. The Hornets just couldn't stop them from getting that extra touchdown. Monroe's Gary Deaton, who scored one touchdown, and Bob Moore, who scored the other one and the extra points, just weren't enough for a victory. Defensively Don Childers and Skip Lewis marked up the most tackles.

MONROE 8 XENIA WILSON 20

The Hornets opened strongly in the first stanza when they scored on trapping a Cadet back in his own end zone. Following this goal was a twenty-yard charge for the tally by fullback Gary Deaton. Joe Spencer's try for the extra points failed. After this, it was Xenia's game with their scoring three touchdowns.

MONROE 38 STEBBINS 12 MONROE 14 FRANKLIN 6

Monroe began their scoring with a nine yard pass from Skip Lewis to Tom Hammond. Bob Moore scored the extra points. Perry Clarke began the Hornets' second stanza action as he raced 34 yards for the TD. Moore again scored the extra points. Bob then racked up a six pointer on a 16 yard drive. Lewis made good the extra points. Bob Moore again scored a TD and a Lewis pass to Joe Spencer scored an extra two points. Skip Lewis ended the evening's scoring on a pass interception and 25 yard run. Both of Stebbins' touchdowns were scored on pass plays and they threatened to score in the final seconds of the game but were held at the six yard line by a defensive Hornet team.

Monroe played its roughest game of the season against Franklin. The Wildcats were not the only opponent against the Hornets; the weather was, too. The boys played a hard fought game in the rain and mud; a touchdown wasn't scored until Bob Moore made a 15 yard run in the third quarter. Bob then made the extra points to put Monroe ahead 8 to 6. Gary Deaton added the icing to the cake with a 2 yard plunge TD. Don Bake marked up the most tackles with 11 tackles. Don Childers lead the blocking while Gary Deaton gained the most yards.

BASKETBALL

The 1962-63 team has done a fine job even though they were short of Varsity experience. Although we lost to four Hamilton schools and three on the road, these seven defeats have helped us gain valuable experience. On February 15 we broke our losing streak and won the next five games, ending our season with nine wins and seven losses.

I am proud of these boys for their work and "never give up" spirit. Working with them has been a real pleasure and I'm looking forward to next year's season.

MONROE 62 STEBBINS 78

Dayton Stebbins defeated Monroe with a score of 78—62. Monroe was out in front the first quarter but trailed in the last three quarters. Monroe hit forty per cent of their shots while Stebbins hit forty-three per cent. Gary Cavin was high man with nineteen points. Larry Lakin was second with fourteen points.

MONROE 81 LEBANON 52

The Monroe Hornets defeated the Lebanon Warriors with a score of 81—52. Every Hornet player was used, plus two Jr. Varsity players. Monroe hit forty-five per cent of their shots. Gary Cavin led the scoring with twenty-two points while Larry Lakin scored seventeen points.

Monroe increased the third quarter margin to six points and held it. Grimsy Young and Gary Cavin both scored nineteen points. Larry Lakin scored fifteen points.

MONROE 70 MADISON 53

In the contest between Madison and Monroe, the Hornets came out on top with a score of 70—53. Gary Cavin gave a stupendous performance coming up with twenty-seven points. The first half was rough but in the second half Monroe took control. The Hornets evened their record at seven and seven with two games left to be played.

MONROE 82 PATTERSON 78

Monroe vs. Patterson proved to be an exciting game. The scores were very close throughout the entire game. In the last few seconds, Patterson was ahead by two points with a score of 62—60. Larry Lakin made a basket in those few seconds which threw the game into an overtime which resulted in three overtimes. Gary Cavin led the scoring with thirty-four points.

MONROE 74 FRANKLIN 67

The Monroe Hornets coasted to an easy victory over the Franklin Wildcats with a score of 74—67. Monroe built up a twelve point lead and held it for three quarters. Gary Cavin led Monroe with twenty points.

MONROE 63 HAM. CATHOLIC 66

SPONSORS AND MAJORETTES

Each spring sponsor and majorette tryouts are held for the next year's sophomores, juniors, and seniors. Anyone who is interested may try out. By means of a process of elimination twelve girls are chosen to serve as sponsors and alternates. They are selected on their ability to march and on their rhythm. The four majorettes and one alternate are picked in a similar manner. This year's sponsors and majorettes did an exceptional job, and added to the attractive appearance of the band, not only with their marching, but also with their dance routines.

JR. ACADEMY OF SCIENCE

Membership in this club is achieved by participation in the science meet at Miami University. In the spring of 1962 these students exhibited projects which were rated by a committee of science teachers.

Steve Arnold received 2nd place for his exhibit on the life of a clam. History of fossils gave Jim Akison 3rd place, and Gary Toliver copped 1st place honors with a display on metamorphosis.

Richard Profit received a superior rating at Miami University and then at Toledo with his exhibit on Electrochemistry.

DISTRIBUTIVE EDUCATION

These girls attend two classes at Monroe and two at Middletown High School. Then they get on-the-job training in salesmanship at a retail store.

CO-OP

These girls spend half a day in school and then travel to Middletown to work in various business offices. The girls get valuable experience as well as receiving income for their work. Rita works at Amanda Junior High, while Roma is employed at Armco Steel Corporation.

VOCATIONAL

The vocational program at Middletown High School offers training in four trade areas — Machine, Automotive, Electrical, and Metal Fabrication. A student, upon graduation from the vocational course, will be prepared to enter employment as an advanced learner in the field of his choice.

PRE-VOCATIONAL

Prevocational covers four areas, Machine, Automotive, Electrical, and Metal Fabrication, but not as thoroughly as the Vocational course. It gives them a preliminary education in these fields.

CONCESSION WORKERS

Everytime you attend a football or basketball game, you automatically desire something to eat or drink. These students give their time and effort to make our games enjoyable. A group is chosen each week to work in the concession stand. Their adviser is Mr. Fleenor.

HALL MONITORS

During a "normal" school day, you might see one of these loyal students rushing around the building carrying messages or doing any other job that needs to be done. Their duties include turning hall lights on and off before and after class changes, delivering messages, reporting all damages and equipment not operating properly, and guiding visitors to various destinations throughout the building. These students are under the direction of Mr. Ridenour.

LIBRARIANS

Student librarians are chosen by Miss Jennings to aid other students in the finding of books or in their search for information.

Intramurals were under the direction of Mrs. Mary Marshitz, and instruction was given by Mr. David Wood of Miami to those interested in using the trampoline.

A ROCKET IN HIS POCKET

JUNIOR CLASS PLAY

Irene Norris

DIRECTOR

Lena Otis

STUDENT DIRECTOR

To the town of Blue Rimrock comes Oswald Agnew, the first man teacher Rimrock has had in ten years.

He encounters the principal, Mrs. Matchett, who is the female foot-ball coach; "Spaceman," a student who is a bug on outer-space; Lulu Grunbine, a man-hungry student who is eager for some private tutoring; class "steadies" Harry and Janis; and prim Miss Chisle.

The school year proves to be a "bang" with all the odd occurances, such as Spaceman's several attempts to launch his rocket.

Mrs. Matchett gives Mr. Agnew a few pointers on foot-ball.

Mr. Agnew and the students try to pry Arlin's finger loose from the desk.

Lulu and Spaceman await Mrs. Matchett's reply. Judy teaches Miss Chisle to be more alluring. The cast included: George McQuinn, Bob Young, Susan Howell, Beverly Kurtz,

Diana Diehl, Carol Harkrader, and Lynne Flint. Others were: Glen Taylor, Zeldon Hall, Tim Litsch, Beverly Kuhn, Frances Neu, and Jim Anderson.

JANUARY THAW

SENIOR CLASS PLAY

Paul Ruark

DIRECTOR

January Thaw was presented November 16 by the Senior class, and revolved around two families of opposite lives gathered, by force, in one house. Heading the cast were Carolyn Allen and Paul Lewis with Diana Diehl, Charles Trueblood, Karen Back, Zeldon Hall, Glenn Taylor, Francis Neu, Ollie Carter, Susan Howell, Coleman Smith, and Tim Litsch in supporting roles.

Lena Otis

STUDENT DIRECTOR

The pictures depict the turmoil that arose in the Gage household when the Rockwoods descended upon them with their country ways. The antics were hilarious when "Old New England" stubbornness met with "new fangled city ways."

MAY

DAY

King David Cope reigned over the 1962 May Day festivities, centered around the medieval theme of Camelot. After Queen Judy Cole was crowned, various activities took place as entertainment for the royal couple and their court, consisting of underclassmen and twelve seniors, chosen by popular vote. The football field came alive with the magical era of King Arthur and carefree court life.

"ANNIE GET YOUR GUN"

Follies — 1962

Annie Oakley — Laura Cox
Frank Butler — Larry Duff

Annie Oakley was a real life person who lived in Ohio near Greenville. She actually became a star in Buffalo Bill's Wild West Show and for a time in Pawnee Bill's Far East Show.

She was the world's finest marksman, male or female, at that time. Frank Butler, who became her husband, was one of the remarkable male marksmen. Annie eventually out shot Frank in an exciting match.

Mr. Wilson — Barry Wood

Sitting Bull — Louie Sword
Charlie Davenport — Art Johnson
Dollie — Harriet Dennis

While the mood of the story carries you along at a happy pace, the main attraction of the show is the many hit tunes. This year's show will long be remembered for the colorful, effective staging and fine technical work. The attendance record was broken on each of the two nights.

Laura Cox, Art Johnson, Dave Loxley, and Larry Duff

Jake — Aretha Eisele
Minnie — Mary Lou Spencer
